AIR

NAV-3029

Chief of Station, Vienna

6 December 1950

Chief, FDS

Operational

Partial List of USAG Contacts

Reference: NAV 6055

1. Our curiosity and that of the KIRMA desk has been aroused by the receipt here of the list of USAG contacts, attached to the reference memorandum, dated 31 October 1950, two weeks before the same list was transmitted to headquarters from FDS.

2. NAV 6055 gives no indication as to where, when or how the list was obtained. In order to complete the records, will you furnish us with this information?
